Dear parents/guardians,

Since the summer holidays

At the ISK we now have 451 pupils: 135 Ukrainian pupils at the Vinkenstraat building, 300 pupils at the Melisseweg building and 16 pupils at the school building Kamerlingh Onnes. In total we have 29 classrooms. The mentor / Your child's mentor will set up an appointment with you to meet you.

Calling in sick and notifications of recovery

It is important that pupils arrive on time every day.

When a pupil is ill, parents/guardians have to notify the school between 8:00 and 8:30 in the morning.

Melisseweg: call (050) 321 0524 or 06-45444129 (administration of absenteeism)

Vinkenstraat: call (050) 321 0404 or 06-42367071 (administration of absenteeism)

In the absenteeism protocol on the website of the ISK you can read what to do in the event of an absence or report recovery and what the possible consequences are in the event of absenteeism or late arrival.

Corona

The government has described 4 phases. The government decides weekly whether we go to a new phase and color. If so, we will inform you about the new measures.

We are currently in fase 1: dark green

The rules that apply are:

Corona self-tests at school only when symptomatic

Pupils with symptoms related to coronavirus can ask for and do a corona selftest at school.

Class field trip

All pupils are allowed to organize a class field trip, together with their mentor.

No class on Monday November 7th

On Monday November 7th all teachers have a training day, there is no school on this day, all pupils have no lessons.

Kind regards on behalf of the ISK team,
Jannelies Mik,
